Gravenhurst Ont Can  
Feby 19/98.

The latest issue of postage stamps are of slightly different colors from those in use hereto-fore and are engraved with the Queen's head as on the post card. - The Jubilee issue early this year are out of issue, or rather are not made any more - but stamps (Jubilee) can be procured with some difficulty at different places thro' collectors, the value of a set of unused stamps of any of these denominations up to a 50¢ stamp would be \$1.71 & the same of the latest issue.

We have no Jubilee stamps but can supply all kinds of latest issue J. Cockburn

THE RAPIDS BELOW NIAGARA FALLS

POST CARD

Compliments of The Prudential Insurance Company of America

Incorporated as a Stock Company by the State of New Jersey

Home Office, Newark, N. J.

This side for the address

NIAGARA FALLS and River receive their name from the Indians, in whose language the word "Niagara" means "Thunder of Waters."

The river receives the waters of all the upper lakes—Erie, St. Clair, Huron, Michigan, Superior, and a number of smaller ones. From the foot of the Falls to Lewiston, a distance of 7 miles, the river descends 104 feet, running between perpendicular walls 250 feet high. It rushes headlong through this deep and narrow gorge to the cliff at Lewiston, where it emerges on the plains of Lake Ontario, and is again a broad and peaceful river.

St Louis Mo.

Dear Sir,

Your welcome letter of the 6th ultimo to hand. I am sorry I have not any more Kings Heads yet except 1<sup>st</sup> ORC + 2<sup>nd</sup> Natal. The following Cape Kings Heads are in use  $\frac{1}{2}$ , 1<sup>st</sup>, 6<sup>th</sup>, 11 + 5/-, of the  $\frac{1}{2}$ , 1<sup>st</sup> + 1/- & have already sent you specimens but I have not been able to get 6 + 5/- yet as they are not in general use. I am enclosing some <sup>watermarks</sup> 1<sup>st</sup> CRN + CC 1<sup>st</sup> CRN + CA; which I trust will please you as they are, especially 1<sup>st</sup> CC, pretty scarce here. I heard from some one that there is some likelihood of

your 2c stamp being changed, have you heard anything?

We <sup>had</sup> had three or four distinct earthquake shocks ~~last~~ yesterday, one about 12.6 pm being the most severe, cracking a wall in our office.

I am glad to say I got through the Civil Service exam A.1. heading the 3rd Class Native list.

Trusting that this will find you in the best of health

I remain,

yours sincerely,

John Allison.
